Friday, April 22 nd	-	Earth Day
Sunday, April 24 th	-	Eastern Orthodox Easter

April has arrived. Unfortunately, the cold weather is still with us, but we do have signs of spring. Flowers are blooming and chipmunks and deer are present throughout the community. Nature at its best!

On April 2nd, the Board of Directors is hosting a cocktail get together for the new residents. This is exciting news as we have not greeted new members in 2 years due to the covid virus. Board members will be present as well as the chairman of the architectural committee and some other chair people from various social clubs. Come, join us, and bring your questions and get to know your neighbors. We look forward to greeting you all.

It is that time of the year to get our air conditioner ducts cleaned and check for mold before turning on the systems. There is nothing more annoying than your air conditioner system running and all the allergens and mold coming out of the vents.

Remember, all letters addressed to the board must be signed by the resident. If they are not signed, they will be discarded. We want to answer all letters and respond to the proper party. Thank you in advance for your cooperation.

Spring is the time of year that residents begin having work done on their homes. Please remember to submit applications for exterior work to the Architectural Committee for approval. Once approved, a permit will be issued. Remember to display your approved permit in your window so it can be seen from the road.

*A gush of bird-song,
A patter of dew,
A cloud, and a rainbow's warning,
Suddenly sunshine and perfect blue -
An April day in the morning.*

Harriet Prescott Spoffard
