- August 24th - LKA Community Budget Meeting – 7pm, Rec. Center

Hello August....

The Defensive driving course will be offered October 14th and 21st 2022. More information will follow.

The pool does not open until 10:00am every day during pool season. There is no swimming before as the gates are locked and will reopen at 10am. Violating this rule will result in a monetary fine.

The children's pool hours and rules have not changed. As a reminder when the lifeguard takes his/her break from 2:00 to 2:30pm on WEEKENDS ONLY ALL CHILDREN MUST EXIT THE POOL [AGES 4-12] but they may remain on the pool deck. This applies to weekends only. Weekday's children's hours and rules regarding leaving the pool area remain unchanged.

There was an incidence on June 17, 2022, at 3:00am involving a white Subaru hitting the Kingston gate and using the car to open the gate. If anyone has any information on who this person may be please contact the LKA office.

Also, please do not park your vehicles at the end of your driveway, extending on to the sidewalks. There are people in our community walking with walkers or canes that cannot walk in the road and need access to the sidewalks.

Kindness is always beautiful...take some time to be kind!
