Welcome Fall! Fall is in full swing and so are the acorns and falling leaves. This makes for hazard walking especially if they are wet. So please be careful when walking about and enjoy the beautiful crisp weather.

As a reminder, all residents going south for the winter months, please submit the snowbird form to the Admin Office. Also, anyone needing priority snow removal for dialysis, chemotherapy, or radiation, please submit a doctors note or prescription indicating dates and times of treatments. This must be done annually.

Both forms can be obtained at the Administration Office.

Daylight saving time is upon us again. Please turn your clocks back one hour before going to sleep on Saturday, November 5<sup>th</sup>. This mean an extra hour of sleep on Sunday, November 6<sup>th</sup>, which is always welcomed!

The American Legion Women's Auxiliary is having their Craft Fair on Saturday, November 5<sup>th</sup> from 10:00 to 2:00 pm at the Rec Center. Please come and support the Ladies Auxiliary.

There will be a Board of Directors' Informational Meeting on Tuesday, November 15<sup>th</sup> at 7:00 pm in the Rec Center. If you have any questions you want to ask the board, now is the time! Winter is coming and I am sure there are questions regarding snow removal.

As most are aware, the driveway project and tree trimming /removal have begun. Please be respectable to the contractors and the extra traffic in the community.

## QUESTIONS FROM THE COMMUNITY....
