DATES TO REMEMBER:

Monday, March 6th - Purim begins at sundown
Sunday, March 12th - Daylight Saving Time begins
Friday, March 17th - St. Patrick's Day
Monday, March 20th - Spring begins

Welcome to March. Spring is just around the corner. It begins this month. The Robins are here already and there are tulips, daffodils and other spring flowers peeking out of the ground.

As a reminder, please pick up after your pet. This is being a responsible pet owner. If you see pet waste, please call the office and let them know so maintenance can remove it.

As part of the Rules and Regulations, no outside work is to be done on homes on Sundays. This is very distracting to your neighbors, and you can be fined. Please be considerate.

Please stop at the stop signs. That is what the word stop means. Not only are people rolling through the stop signs, but there have been many incidents where people don't even stop. Please tell your visiting family, friends and your contractors to obey the signs before someone gets hurt.

Daylight savings time begins March 12, 2023. Please remember to push your clocks ahead one hour.
