## GARBAGE

Garbage should be in a pail with a lid or in heavy duty black garbage bags. Please do not leave white kitchen garbage bags at the curb because they can easily break open or be opened by animals leaving a mess in the street.

## SPEED LIMIT

Once again, we are pleading for drivers to SLOW DOWN and obey the 20 MPH speed limit in the community. Additionally, we ask that you share this info with your visitors.

## **BOARD OF DIRECTORS**

The Board has decided to reduce bus service to one day a week and the 2<sup>nd</sup> Friday of each month due to low ridership and high costs.

PLC will begin their Spring cleanup tentatively in the second week of April. Leaves and debris will be removed from flower beds, etc. We can also expect Trugreen to be applying the Spring application tentatively in the third week of April. This is all weather permitting and dates will be posted on Channel 591 as soon as they are confirmed.

Work on the Tennis and Pickle Ball courts are moving along and should be completed for the upcoming season.

The Board will be working on securing bids for the upcoming snow removal contract.
