REMINDERS

Sheds **are prohibited** by our bylaws. Rodents are looking for a place to stay warm during the winter. Please REMOVE ALL SHEDS to avoid possible fines.

As snow season begins, remember to keep vehicles off the roads during plowing activity. Extra parking is available in the Recreation Center parking lot. If cars are left on the roads during a snow plowing event, you can be fined or towed at your expense.

Ice Melt-rock salt or potassium chloride will damage concrete. Please use Calcium Chloride or Magnesium Chloride instead.

Letters to the Board of Directors should contain the name and address of the resident as well as a signature so the Board can respond appropriately.
