REMINDERS

No planters or bird feeders are to be placed on the grounds so that it does not interfere with the landscapers mowing of lawns.

BOARD OF DIRECTORS

The dirt road used to provide access to the pool has finally been paved, eliminating the unsightly mud puddles.

The Board continues to review areas not previously focused on. Future improvement plans are being explored.

LKA ELECTIONS

Preparations for the LKA Board of Directors Election have begun. Information will be mailed out to all homeowners at the end of June. It will include the process to follow for anyone who is interested in running for the Board. In addition, another mailing will be sent in the first week of August with detailed voting instructions.

Over please

AROUND THE KNOLLS

Stop Signs and Speed Bumps have been placed within the community but the Board still receives letters and emails regarding excessive speeds when grandchildren are present in the community as well as when residents are walking or riding their bikes in the nicer weather.

PLEASE, PLEASE, PLEASE, SLOW DOWN AND OBEY THE POSTED SPEED LIMITS!!!!

*Enjoy the nice weather,
get out and enjoy the many activities offered,
take a walk and meet your neighbors.*
