REMINDERS FROM THE BOARD OF DIRECTORS

As a reminder, here are some tips to keep our community looking good:

Outside storage containers are not permitted.

Garbage pails should be moved to the curb no earlier than 4:30 pm the night before a scheduled pick up and removed from the roadway promptly after pickup. NO garbage pails should be stored in front of homes.

Please curb your dog and remember to clean up after them.

The Board's policy does not permit relocating mailboxes due to the potential impact on parking and access for neighboring homes. The policy is intended to ensure that mailbox placement does not interfere with residents' ability to safely park and access their properties.
