HAPPENING AROUND THE KNOLL

Please refer to the September calendar for the NUMEROUS activities occurring in September.

REMINDERS

Please obey the posted speed limit signs, your guests, extended family, aides and other visitors should be asked to obey the posted speed limits.

Our lawn contractor should be working on the replacement of the Kingston retaining wall. This retaining wall impacts both Kingston and Edinburgh properties.

The driveway, concrete, tie walk, apron replacements as well as the tree and seeding lists, are finalized. New requests will be added to next year's lists.

BOARD OF DIRECTORS

As no one has come forward to run for the Board, all current Board members will remain active until next year. New Director responsibilities will be communicated at our Annual Meeting.

Please join us at the Board of Directors Annual Meeting on Wednesday, September 9th at 7:00 pm in the Rec Center. This starts a new fiscal year.

The Board has approved the replacement of the Whiskey Road fence; work is tentatively to begin around the third week of September.

The Board has been actively getting renderings and estimates for modernization of both LKA entrances as well as more improvements to the Recreation Center.

The Board is also considering a pool attendant next year to ensure the safety of our residents and guests. Any pool rule changes are made to provide maximum safety for our residents and their guests.

As we begin the new fiscal year for LKA, we would like to encourage our many new homeowners as well as all of our residents of the numerous clubs that are available to all members in good standing. Please refer to our monthly calendar for dates and times to get involved.

"When you are reluctant to change, think of the beauty of Autumn ."
